Based on the other responses, I'm guessing you have it covered in some form. Thanks.

Christine,

Unfortunately, I haven't seen these. I checked all my emails and don't have anything forwarded to me from Jim and/or Charles. It looks like we goofed here on our end. We will try to get draft responses by Wednesday meeting, but I will have to play it by ear. If we don't make Wednesday, we will be able to provide comments very shortly for your review.

I apologize soooo much for the mix-up!! But thank you for bringing it to my attention.
